A screenshot of a search interface. At the top, there are tabs for different search sources: Hokudai, CiNii Books, CiNii Articles, JAIRO, Aozora Bunko(NDL search), NDL Digitized Contents, and WorldCat. Below the tabs, there are two options: 'Simple' and 'Advanced', with 'Advanced' selected. The main area is divided into several sections. On the left, under 'Document Type', there is a list of document types with checkboxes. In the center, under 'Search Conditions', there are three search boxes. The first box has a dropdown menu on its right side, which is highlighted with a red box. This dropdown menu has three options: 'Any (Keyword)', 'Author', and 'Publisher'. Below the search boxes, there are options for 'Sort' (Year, Ascending order, Descending order) and 'Display' (20). At the bottom of this section are 'Search' and 'Clear' buttons. On the bottom left, there is a 'Campus' section with a list of campus names and a dropdown arrow. On the bottom right, there is a 'Search Option' section with fields for 'Year Published', 'Country', 'Language', and 'Subject', each with a dropdown menu.

Use the pull-down menu on the right of each box to limit its field.

| Any (Keyword) |
