

For accelerating Chemical Research!
Workshop Series on Chemical Information Databases

Online Workshop on SciFINDERⁿ

We use the Zoom app for this workshop.

SciFinder-n is an essential tool for chemists, with which they can comprehensively search chemicals and reaction information in addition to papers and patents! A professional instructor will lecture on how to use it.

To:
All students,
faculty and staff
of Hokkaido
University

How to participate

Please apply in advance from the web because of the limited seating.
<https://www.lib.hokudai.ac.jp/2020/10/09/78068/>

	Time	Course	Language
10/27 Tue	10:30-11:30	Basic	JPN
	13:30-14:30	Basic	ENG
10/28 Wed	10:30-11:30	Basic	ENG
	13:30-14:30	Basic	JPN
	15:00-16:00	Advanced	JPN
10/29 Thu	10:30-11:30	Advanced	JPN
