Reference and bibliography management tool

Seminar on Zotero

The seminar will introduce the open source literature management tool "Zotero", from installation to basic usage, in a hands-on way.

It's so much work to change the reference style for each submission

I can't find the article I read before.

I have read this paper? Or not?

11th Nov. (Fri) 16:30〜17:30
Seminar Room in North Library
(or attend the seminar online)

※Seminar will be conducted in Japanese

To All students, faculty and staff of Hokkaido University

Presenter Dr. Michael Schiltz
（Associate professor, Research Faculty of Media and Communication, Hokkaido University）
